

## **Guidelines for Video (Award) Presentation for IASGCON2017, Puducherry.**

1. Your video should be only in MPEG 4 or mov format, HD format and well edited. The video presentation should be exactly of 8 min or lesser duration.
  2. All presenters are requested to strictly stick to their allotted time of presentation. A buzzer or light signal will give indicator of 2 minutes and 1 minute prior to the allotted time, so that presenter knows to conclude the presentation. At 8 minutes the formal presentation will be closed.
  3. **Any PowerPoint slides / photographs should be incorporated in the video itself.**
  4. The discussion time is 2 min, **total time allotted is 10 min** Presenters who wish to have more time for discussion must finish earlier.
  5. The presenters are advised to concentrate on the video presentation and not waste time in prolonged introduction/ literature review
  6. Avoid complex backgrounds or animations which may distract from the actual content of the video.
  7. Upload your videos the day before in the preview room as all presentations before 4 pm.
  8. It is your responsibility to bring your video in DVD or video in pen drive to upload the video to preview computers. Please have spare copy available with you. If you bring your laptop, keep the video window open and in sleep mode in case it is required.
  9. Please make sure that your video runs on your side. We will use windows 7/8 and windows media player for the display.
  10. Presenting author must register for the conference for presenting a video, failing which their video will be withdrawn from the conference.
